

Snake Book Mark

Using H hook or really whatever size you want

Ch 15

2 dc in 4th chain from hook

now put 3 dc in each chain to end.

The chain will automatically begin to twist into the squiggle shape.

Make another chain the entire length of the average book, with a little extra added (try about 30 to 35, but adjust for your yarn thickness).

Put a marker in at the end of your chain

Chain 10 more st.

Work backwards along those last 10 ch's, putting 3 dc in each, ending at the marker.

Cut yarn, weave in ends.

You will now have a bigger squiggly at one end and a shorter one at the other, with a flat chain in between to place in the book.

Add eyes to the larger end using either googly eyes, glitter paint or glow in the dark paint (available at Walmart). For googly eyes, you can add dabs of glue and add the eyes.
